

RENOVATION OF MAHATMA PHULE KALADALAN PROJECT

(Smart City Funded INR 3.42 Cr)

PROJECT SUMMARY

Mahatma Phule Kaladalan, with an area of 1,800 square metres is located in the center of the city and has been exhibiting educational and cultural legacy of the traditional city, Nashik, through its art gallery.

Under this project, the gallery was designed and renovated for optimal display and presentation of exclusive, rich and extensive art work.

In this project, the 21 year old Mahatma Phule Kaladalan was renovated and restored with upgraded technology and aesthetic appealing systems with renewable energy systems.

This project also involved installation of sculptures, benches and gardens to enhance the gallery's exterior environment.

- ▶ Updated lighting and display systems enhance the viewing of artworks. Renovations can ensure compliance with accessibility standards, making the art gallery more inclusive.
- ▶ Updated facility that can host more diverse events and educational programs which is an add - on provision of revenue generation for Nashik Municipal Corporation.
- ▶ This facility has created opportunities for future conceptualization that can help in revenue generation.
